Belvedere Ceramic Arts Ltd

At Belvedere Ceramic Arts Ltd. we celebrate the beauty of nature with the finest in handcrafted art tile made in the cherished tradition of the Arts & Craft Movement. In our small studio located in San Juan Mountains of Southern Colorado, skilled and loving hands combine the traditional arts of drawing, painting and sculpting with the alchemy of fire, earth and air to create beautiful art that is unique and inspiring. Here, our artist creations are all carefully hand-made, one-at-a-time, using beautiful clays and glazes and *earth-friendly* methods of production to preserve and protect our environment.
