

Christmas Bird -2

Christmas Bird -1

Inspired by California historic tile companies, Native Tile creates restoration quality handmade decorative tile. Owner and artist Diana Mausser draws upon her ceramics and textile design degree from UCLA to develop glazes and patterns that make Native Tile's products unique. The inspiration for creating Christmas Bird Tile #1 and Christmas Bird Tile #2 came from studying the many beautifully painted doors in the Historic Adamson House in Malibu California.

Christmas Bird -1 & Christmas Bird -2

Offered in support of Tile Heritage Foundation Programs

Purchase from the THF Online Store

(use your back button or return to the website -- this is a PDF only)

Description: The clay is a low fire buff body. When used with semi-transparent gloss glazes results in a beautiful blush color coming through the glaze. The technique used to create the pattern is the cuerda seca, resist line technique and all of the glaze colors are custom and unique to Native Tile.

Size: 6"x 6" x 1/2" thick

Shipping Weight: 1 tile 2 lbs. 2 tiles 3 lbs (shipped together) **Price:** \$50. each plus shipping
