A MONUMENTAL HAND-PRINT MURAL
A Donor Wall for Posterity*

AN INSPIRATION TO PUT OUR HANDS IN CLAY TOGETHER!

An INVITATION to the Global Tile Industry to have a HAND-PRINT in HISTORY!

Partner in a FUN & INSPIRING Project

The concept is to create a ‘monumental tile mural’ honoring everyone with his or her ‘hand’ in the industry. Individual & corporate participants’ handprints, logos & names will be part of a historic tile installation for posterity. Over a 24 month period we are expecting 5000 tiles from participants by engaging people active today throughout the industry including artisans and consumers – inviting all to press their hands into a wet clay tile and become a part of the mural! The final installation will be at TCNA headquarters in Anderson, SC. It will be there for posterity!

There is a suggested \$25 participation donation per tile. . . SAMA & Tile Heritage will benefit from donations. . . enhanced contributions are also welcomed!

You are invited to individually create hand-print & named tiles for the installation. This invitation is open to all at a SAMA Workshop, American Mosaic Summit – Nashville, Tennessee, April 23 – 28, 2019.

Participating in this mural supports SAMA & the industry-wide archiving work of the Tile Heritage Foundation in addition to contributing to the Monumental Mural to be installed at TCNA honoring all who participate in and contribute in so many ways to the American tile industry today! THANK YOU!
