- *Digitizing and forming a searchable database for the sizable slide and photography collection of over 42,000 images.*
- *Digitally recorded, accessioned and archived historic tiles that have been donated to Tile Heritage over the past 26 years, representing a collection numbering over 4,000 different American tiles.*
- *Accessioned and archived the historic tile catalog collection of over 600 items as well as the collection of over 2700 historic and contemporary periodicals.*
